Penn Fusion Soccer Academy, www.pennfusion.org, is a joint venture between two of the largest and most successful clubs in Pennsylvania - Spirit United and West Chester United.

Formed in 2009 as a program for premier level players from U14-U18, the club has produced immediate success including 2 EPA State Cup Champions, 3 teams competing in the USYS National League, a Disney Cup crown and a Bethesda crown.

PFSA is 1 of only 6 clubs that were chosen by the Philadelphia Union as an affiliate feeder club for the Union's Youth Academy.

The '94 Boys, with a reformed line-up for 2010-2011, expects to achieve similar results over the next 3 years.

Penn Fusion '94 was recently crowned champions of the prestigious Bethesda Thanksgiving Tournament when the boys stormed back in the championship game with three second half goals to win a thrilling and hard-fought 3-2 victory.
